OBJECTIVE

A dedicated Electrical & Electronics Engineering student. Passionate about circuit analysis, circuit design, embedded systems, machine learning, programming, mathematics, computer-aided design, and robotics. Seeking opportunities to apply mathematics, programming, circuit analysis, problem-solving, and critical thinking skills professionally. Experienced in critical analysis, developing websites, creating servers, and circuit design.

EDUCATION

American University of Nigeria, Yola

January 2022 – Present

B. Eng. Electrical & Electronics Engineering

SKILLS

- Python
- JavaScript
- HTML/CSS
- C++
- VS Code
- GitHub
-
- Excellent English
- Postman
- Critical Thinking
- MongoDB
- Team Collaboration
- Problem Solving
- Time Management
- Communication
- Systems Thinking
- Organisation

PROJECTS

Direct Current Circuit Diagram

Yola, Adamawa

March 2025

- Designed and developed a DC Circuit using Proteus
- Components such as junctions, diodes, transformers, and capacitors were utilised
- Conversion of a 5V AC Source to DC was achieved

Portfolio Website

Yola, Adamawa

November 2024

- Designed and developed a personal portfolio using HTML, CSS, and JavaScript
- Hosted on the MongoDB Database
- Created a responsive website for both users and administrators

House Wiring Project

Yola, Adamawa

November 2024

- Created and designed a house wiring circuit with a power transfer feature
- The power sources were effective
- Even power transfer was accomplished

Instagram App Replica

Kaduna, Kaduna

September 2024

- Replicated Instagram's interface using Express.js, Node.js, HTML, and CSS
- Hosted on MongoDB Database
- Created login page using socket.io and bcrypt
- Successfully created a responsive replica where users can like, follow, and comment

EXTRACURRICULAR ACTIVITIES

SDRC Dev Force | Member

Yola, Adamawa

Feb 2024 – Present

- Member of a team of aspiring developers who specialise in various programming languages

Mathematics Club | Member

Kaduna, Kaduna

March 2014 – May 2015

- Participated earnestly in math games, quizzes, and other activities
- Emerged as one of the most engaged, excellent, and dedicated students in the club
